

You will need:

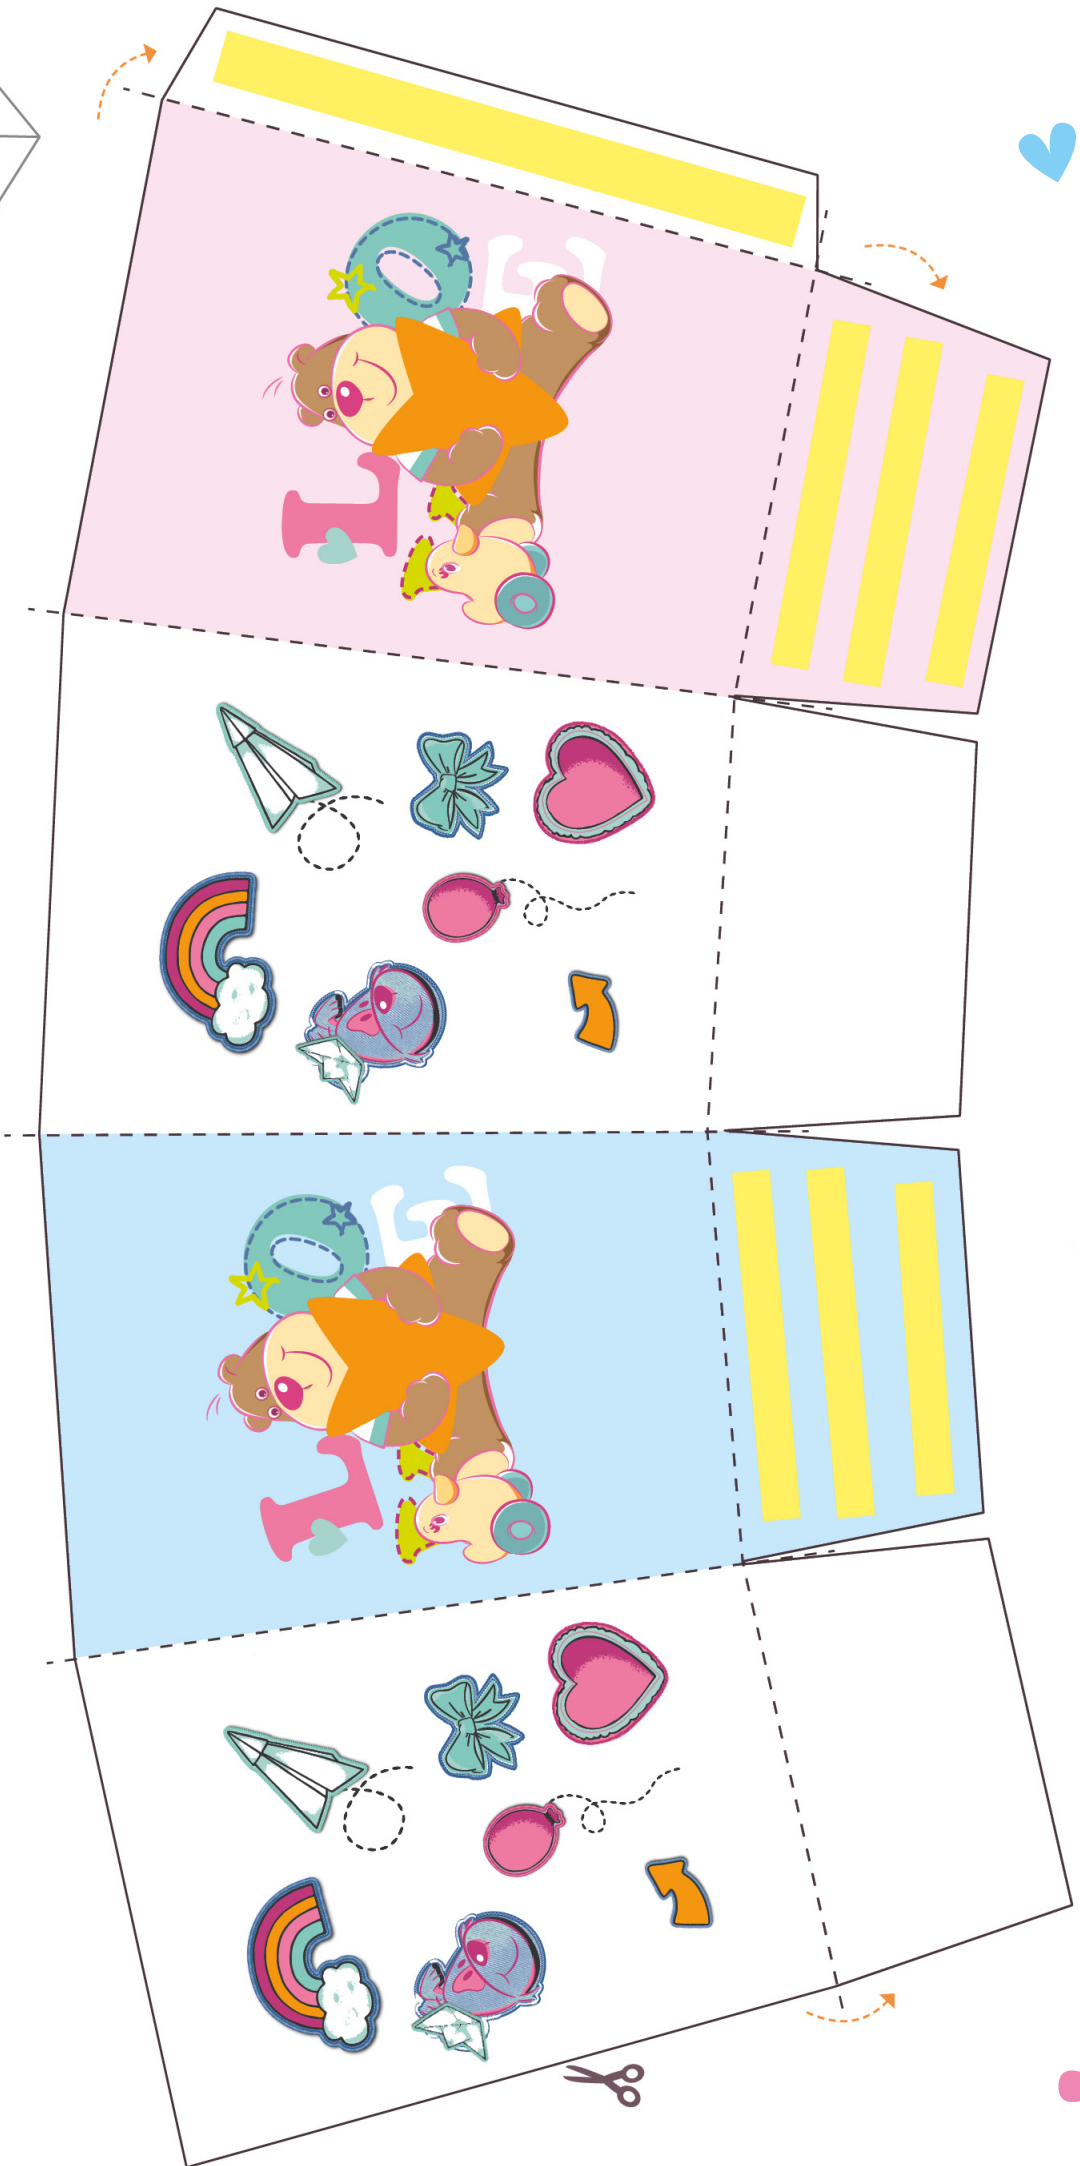

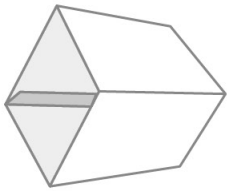

- Printer
- Scissors
- Ruler
- Glue Stick

Directions:

- 1 Print the template onto A4 plain paper and cut along the solid line marked.
- 2 Carefully fold along the dotted lines until you have created the shape of your popcorn box.
- 3 Fold the lower flaps inwards and glue in place following the marked yellow areas.
- 4 Personalise your popcorn box using the 4 additional templates given or create your own decorations with pom-poms or ribbon.

Sit back and enjoy the film!

Key

-  Glue
-  Fold
-  Cut
